WELLNESS & HEALTHY LIVING SOLUTIONS

hs
2023

Trusted Brands Exciting Year Ahead

HealthSmart® has been providing a broad range of wellness and healthy living products for children, adults, and seniors for over 40 years.

Our longevity is directly attributed to product innovation, continuous operational improvements and dedication to customer satisfaction.

Our Purpose

Today more than ever, we are committed to becoming the global leader of progressive HealthSmart® products that:

- Promote wellness
- Help keep people active not only in their homes but on-the-go, at work, and at play
- Make healthcare fun at every age

This goal requires that we remain on the leading edge of developing products that are innovative, intuitive, and attractive to help monitor, manage, and maintain a healthy body and life.

Our Future

Exciting announcements and new journeys for HealthSmart®. To begin, we will realign our businesses to better service our unique customer mix. We will also be introducing a new service group with a new look, new packaging, new products and new ideas.

Along with our full commitment to the brands you have known for years, Mabis® and DMI®, we will be expanding the focus of the HealthSmart® brand to include new products, health and wellness educational pieces, and information about activities and lifestyle choices. We will continually provide the best possible product mix to help keep people well, active, and full of energy, at any age or stage in life.

We look forward to taking this journey with you and will be providing you with more information about these exciting changes over the next several months.

We pride ourselves on our customer service and delivering complete satisfaction is the priority for HealthSmart®. Continuous improvements are the backbone of our company with core values that strive for operational excellence.

Quality – It's in everything we do

- HealthSmart's® extensive warranties are testimony to our confidence in our products
- Our manufacturing and operating processes are ISO certified

Product when you need it, where you need it

- HealthSmart® operates several distribution and manufacturing facilities across the United States to insure dependable delivery
- We supply internationally to six continents
- Our automated supply chain and execution software provides responsive, reliable delivery
- Our fill levels rank among the highest in the industry

Outstanding Customer Service

HealthSmart® is committed to delivering outstanding customer value by providing integrated support services. Our knowledgeable and courteous customer service representatives collectively have over 100 years of experience with our company. This team works together to provide personalized service with orders, product questions, merchandising assistance, and education.

Thermometers

Infrared Thermometers

HealthSmart® Compact Digital Ear Thermometer

ITEM # 18-210-000

- + Clinically accurate readings in seconds. No probe covers required! This thermometer features up-to-date infrared technology to deliver the most accurate results.
- + Measures ear and ambient (air) temperatures. Color-coded fever alarm. An LED light in-between the buttons turns red when your temperature is above 100.4 degrees Fahrenheit. It turns green if there is no fever present.
- + Date and time stamp and 9-reading memory storage allow you to easily keep track of your progress

HealthSmart® Standard Instant Read Infrared Digital Ear Thermometer

ITEM # 18-220-000

- + Clinically accurate readings in seconds. This thermometer features up-to-date infrared technology to deliver the most accurate results. The visual fever alarm tells you when a fever is present.
- + Measures ear, object and ambient (AIR) temperatures. This sleek thermometer includes three measurement modes for greater versatility.
- + You don't have to touch these probe covers when attaching them to the thermometer.
- + Date and time stamp and 10-reading memory storage allow you to easily keep track of your progress.
- + INCLUDES: 30 disposable probe (lens) covers, Fahrenheit/Celsius readouts, auto shutoff, storage stand.

HealthSmart® Non-Contact Instant Read Infrared Digital Forehead Thermometer

ITEM # 18-545-000

- + Integrated distance sensor: provides quick, clinically accurate readings with no need for skin contact. The non-contact feature is extremely hygienic and accurate with no need for covers.
- + High temp alarm: The ring turns red when temperatures are 100.4 or greater and green if temperatures are less than 100.4. Measures in both Fahrenheit and Celsius.
- + Memory storage: A 9 reading memory helps monitor temperatures overtime or between multiple individuals.
- + 3 temperature modes: body, object or air. Scan your child for a fever, measure the warmth of your baby's bottle or bath water or test the temperature of the air.

Thermometers

Infrared Thermometers

HealthSmart® Non-Contact Instant Read Infrared Digital Forehead Thermometer

ITEM # 18-555-000

- ✦ No contact digital thermometer design measures forehead and object temperatures in three seconds with clinical accuracy.
- ✦ Infrared thermometer features two temperature modes: body and object scan your child for a fever or measure the warmth of your baby's bottle or bath water.
- ✦ Memory storage: a 10 reading memory helps monitor temperatures overtime or between multiple individuals.
- ✦ Automatic shutoff with Fahrenheit or Celsius readout.

HealthSmart® Talking Infrared Ear & Forehead Thermometer

ITEM # 18-930-000

- ✦ This talking infrared & ear thermometer is the only thermometer you will ever need! Designed for all ages with washable ear thermometer probe and an infrared touchless attachment that can even take the temperature of objects!
- ✦ Comes equipped with several features including a 3-color backlit display that can be changed to show temperatures in both Fahrenheit and Celsius; a 30-reading memory bank; a visual fever alarm; clear audio readings in both English & Spanish.
- ✦ Instant scan technology delivers accurate temperature results instantly without having to wait, making it perfect for getting fast and accurate temperature readings with children!

HealthSmart® Disposable Lens Covers for the Standard Digital Ear Thermometer

ITEM # 18-225-000

- ✦ Helps prevent the spread of germs. Provides a safe and hygienic way to take the temperatures of multiple people.
- ✦ Hands-free lens cover dispenser! You don't have to touch these probe covers when attaching or ejecting them from the thermometer.
- ✦ Specially designed for the HealthSmart Standard Digital Ear Thermometer (18-220-000)
- ✦ Simple to use. Just use and dispose, as many times as needed.
- ✦ 45 disposable probe covers included. You will always be prepared when someone is feeling under the weather.

Thermometers

Digital Thermometers

MABIS® Flex Tip 20-Second Digital Thermometer

ITEM # 15-920-000

- + Includes: a long-life battery (good for approximately 3, 000 temperatures), storage case and 5 probe covers.
- + Fast readings. 20 second readout in Fahrenheit for oral or rectal readings; 30 seconds for underarm readings
- + Convenience: a helpful tone signals peak temperature. The memory recalls your last reading. Auto shutoff saves battery power.

MABIS® Hospi-Therm II Kit™ 60-Second Thermometer, Dual Scale

ITEM # 15-713-000

- + Convenient for travel, comes with a protective case and 5 disposable thermometer probe covers.
- + Oral, rectal and underarm thermometer recalls your last temperature reading and a beeper sounds when peak temperature is reached.

MABIS® 9-Second Waterproof Digital Thermometer

ITEM # 15-736-000

- + The flexible tip conforms to the mouth and stays in place for added comfort.
- + 6x faster than traditional digital thermometers. This versatile thermometer produces rectal (9 seconds), oral (16 seconds) and underarm (25 seconds) readouts in no time.
- + Includes 5 probe covers, sleek storage case, auto shutoff and replaceable long-life battery.

MABIS® Basal Digital Thermometer

ITEM # 15-639-000

- + Easily detect and track ovulation by conveniently testing basal body temperature.
- + Easy to read LCD display informs you with a helpful tone when it registers the peak temperature.
- + Includes: clear plastic storage case probe covers, replaceable LR41 long-life battery, and a 12-month supply of ovulation charts.

MABIS® 60-Second Clinically Accurate Digital Thermometer

ITEM # 15-691-000

- + Accurate results to measure oral, rectal and underarm temperatures to 2/10th of a degree Fahrenheit.
- + Great for adults, babies, and pets. Tone indicator beeps at peak temperature while another tone indicates when temperatures are above 99.5 degrees Fahrenheit.
- + Includes; 1 Thermometer with storage case, battery and 5 probe covers.

MABIS® Jumbo Display 60-Second Digital Thermometer

ITEM # 15-720-000

- + 60 second readout in Fahrenheit for oral or rectal readings; 5 minutes for underarm readings.
- + A helpful tone signals peak temperature. The memory recalls your last reading. Auto shutoff saves battery power.
- + Includes: A long-life battery (good for approximately 3,000 temperatures), plastic storage case and 5 probe covers.

Thermometers

Digital Thermometers

MABIS® Glow-in-the-Dark 8-Second Digital Thermometer

ITEM # 15-878-000

- ✦ 8 second clinically accurate results to measure oral, rectal and underarm temperatures to 2/10th of a degree Fahrenheit.
- ✦ Recalls last reading making it easier to keep track of daily progress.
- ✦ Tone indicator beeps at peak temperature while another tone indicates when temperatures are above 99.5 degrees Fahrenheit.
- ✦ Large easy to read digital display for easy viewing and monitoring with auto shutoff.
- ✦ Includes: 1 Thermometer with convenient storage case, battery (good for approx. 3000 readings) and 5 probe covers.

MABIS® Disposable Probe Covers for Digital Thermometers

- ✦ The MABIS Disposable Probe Covers provide a safer, more hygienic way to take your family's temperature by helping to reduce the spread of germs. They come in handy when you have to take multiple temperatures.
- ✦ Highly versatile and easy-to-use! These probe covers are sized to fit most digital thermometers and can be used orally, rectally or under the arm.
- ✦ Fits conveniently in your purse or bag so you can always have these probe covers ready to go.

Hot/Cold Therapy

Heating Pads

NEW!

DMI® Electric Heating Pads

- ✦ Heating pad for back pain relief has four heat options to find relief from pain and tension whether in the back, hips, legs, muscle cramps, period cramps or neck and shoulder tension with high, medium, low and warm settings.
- ✦ Heating pad for neck and shoulders features auto off for safe and secure use while sleeping, working or watching TV. The automatic shutoff timer turns the digital heating pad off after two hours of use.
- ✦ Heat pad for pain relief contours to every body part with a stream of heat and a soft flexible plush cover for pain relief on the knees, shins, hips, shoulders, muscles, pregnancy pain and period cramps.
- ✦ Foam insert moisture sheet for moist heat is effective in providing deeper penetration of the tissue. Moist heat has the ability to change the tissue temperature rapidly and features an extra long tangle free cord that reaches up to 9 feet for comfortable use in any resting position.

NEW!

DMI® Neck & Shoulder Heating Pad

- ✦ Heating pad for neck and shoulders is contoured to provide direct and targeted heat therapy in the neck, back of head, shoulders and upper back to help relieve pain and tension associated to muscles pain, spasms or headaches.
- ✦ Electric heating pad weighted edges and snap closure keep the heating pad snug and in place for maximum comfort. Large heat pad size is generous enough to bring relief to multiple areas at the same time with a soft flexible plush cover.
- ✦ Neck heating pad has 3 personalized heat settings and a 2 hour auto shutoff feature to help avoid excessive heating and ensure safety during extended use. The 9 ft cord offers ease and accessibility for comfortable use in any resting position.
- ✦ Made of a soft, comfortable microfleece cover that is perfect for everyday use and can be either hand or machine washed for convenience.

Hot/Cold Therapy

Hot/Cold Compress and Ice Packs

Vivi Relax-a-Bac™ Scarf Wrap for Hot/Cold Therapy

- ✦ The versatile Vivi Relax-a-Bac Scarf Wrap surrounds you in soothing comfort and relieves pain in two different ways – as a microwavable heating pad or as a cold compress.
- ✦ The unique clay beads within the scarf wrap are 100 percent all-natural, safe and non-toxic. They have superior ability to hold the heat or cold longer than most other kinds of beads. Plus, they are sewn into individual pockets for even therapeutic relief and won't shift to one end.
- ✦ This extra-heavy wrap adds pressure for deep, penetrating tissue relief for your neck, shoulders, arms, legs, knees or back. The soft waffle weave cover with zipper is machine washable. Convenient woven cotton handles help you position the wrap for a variety of uses.

Walking Aids

Walkers & Rollators

DMI® Lightweight Aluminum Folding Walker with Single Release

ITEM # 802-1017-0645

- ✦ Each attractive walker is crafted from anodized aluminum which makes it strong enough to support 250 pounds, but also lightweight and easy to carry. It only weighs 7 pounds!
- ✦ Folds down to only a 4 1/2 inch width for storage.
- ✦ The walker is adjustable from 32 to 38 inches in one inch increments, meaning you can set it at the height most comfortable for you.
- ✦ 5 inch front wheels glide across the floor. Slip resistant rubber tips in vibrant colors give you a firmer grip on the floor or pavement; contains latex.

DMI® Folding Hemi Side Style Walkers

ITEM # 500-1306-0600

- ✦ An excellent choice for those want more stability and support than a cane, but something lighter than a walker.
- ✦ Made of strong aluminum able to support up to 250 pounds yet it's lightweight and weighs only 3 1/2 pounds
- ✦ Slip resistant rubber tips give you good traction; contains latex
- ✦ Height adjusts from 30 to 35 inches; easily folds with one hand

DMI® 3-Wheel Folding Aluminum Rollator Walker

ITEM # 802-2014-2100

- ✦ Folding rollator walker with swiveling front wheel for maximum maneuverability and stability. Easily fits into vehicles when folded.
- ✦ Aluminum lightweight and compact design makes your walker easy to operate at only 15lbs, and holds up to 220lbs. Includes bicycle style loop-lock handbrakes.
- ✦ Detachable storage tray, bag and basket are great for storing items.

DMI® Ultra Lightweight Folding Aluminum Rollator Walker

ITEM # 501-1012-0700

- ✦ Its front wheels turn easily in any direction, giving you great maneuverability.
- ✦ Convenient 2-position storage basket that hooks below or behind the seat.
- ✦ The rollator folds easily with a simple pull on the strap under the seat, great for traveling.
- ✦ The cushioned flip up seat with padded backrest gives you a comfortable place to rest. Adjustable handle height: 33.75" to 38" in one inch increments
- ✦ Wire basket size: 16" x 8.75" x 5.75"; Overall size: 23" x 24" x 30.5". Weight capacity: 300lbs.

510-1087-5500	Replacement Plastic Insert	15" x 4.5" x 2.5"	1

DMI® Adjustable Walker Platform Attachment

ITEM # 510-1008-0000

- ✦ Provides a secure platform and support for walkers using your forearm and shoulder rather than grip strength. Allows you to control your walker using one arm.
- ✦ Side-opening and adjustable padded cuff provides a nice comfortable armrest that helps you move more smoothly with your walker.
- ✦ Made of lightweight aluminum that won't weigh you down as you move.
- ✦ Handle platform can be rotated forward and backwards. The grip handle can be adjusted side-to-side

DMI® Universal Walker Pouch - Multiple Compartments

ITEM # 510-1068-2400

- ✦ Four storage pockets (three small and one large) allow you to carry multiple items
- ✦ Security straps prevent the bag from swinging
- ✦ Pouch is easily removable and machine washable; size 9.5 x 13 inches

DMI® Universal Walker Pouch One Compartment

ITEM # 510-1069-2400

- ✦ One large compartment gives you ample room for a variety of items
- ✦ Durable navy denim fabric; made in USA; machine washable
- ✦ Size: 12 1/2 x 15 inches with 9 3/4 inch pocket

DMI® Walker Tray, Gray

ITEM # 510-1083-0300

- ✦ Slides over the handles of your walker and holds meals, crafts, books, personal items and more. Raised edges and 2 recessed cup holders prevent spills.
- ✦ This walker tray will fit walkers measuring approximately 16 to 19 inches from handle to handle and with handles that are no longer than 11 1/2 inches in length and 1 1/2 inches wide.

DMI® Folding Walker Tray with Cup Holders

ITEM # 510-1084-0300

- ✦ Textured tray surface and raised outer edge help prevent items from moving. Two different size cup holders allow you to carry coffee, water, soft drinks and more.
- ✦ Tray mounts with adjustable clips that snap on most walkers; no tools required.

Walking Aids

Canes

DMI® Adjustable Aluminum Canes

- ✦ Designed for maximum safety. This cane features a metal reinforced, slip-resistant rubber tip that stands firmly on many floors and surfaces to give you added support.
- ✦ Always a perfect fit. With the easy-to-use snap adjustment button, this cane meets all of your personal needs regardless of your height.

Steins

Toe Cushions & Insoles

Steins® Hammer Toe Crest Cushion and Buttress Pad

- ✦ Hammer toe crest pads feature an elastic loop to support curled toes, ease pressure on the tips of toes, and eliminate forefoot pain and stress on metatarsals
- ✦ Made of high quality felt with a foam center to cushion and correct hammer toes, mallet toes and claw toes. Machine washable.

ITEM #	DESCRIPTION	SIZE	QTY
765-5138-0000	Right	Small	3/pk
765-5139-0000	Left	Small	3/pk
765-5140-0000	Right	Medium	3/pk
765-5141-0000	Left	Medium	3/pk
765-5142-0000	Right	Large	3/pk
765-5143-0000	Left	Large	3/pk

Steins® Toe Splint Regulator & Cushion

- ✦ Reduces pain and friction associated with crooked, overlapping, claw, and hammer toes.
- ✦ TOE SPLINT features a double loop that gently encourages proper toe alignment while a soft cushion comforts the ball of the foot.
- ✦ Can be worn with most shoes. Machine washable.

ITEM #	DESCRIPTION	QTY
765-5116-0000	Right	1
765-5117-0000	Left	1

Steins® Toe Spacers/Separators

- ✦ Help align overlapping toes reducing pressure and friction and minimizing the pain of calluses, bunions, corns and more.
- ✦ Easy to hand wash and reuse

ITEM #	MATERIAL	THICKNESS	QTY
768-1100-0000	Gel	1/8"	15/pk
765-5176-0000	Foam	1/8"	100/pk

Steins® Silicone Dual Density Comfort Shoe Gel Insoles

- ✦ Made from flexible silicone cushioning that absorbs the impact on the ankle, knee and hip joints as you walk.
- ✦ The padded heel surface and insole provide support and relief from plantar fasciitis while the foot insert offers extra arch support.

ITEM #	SIZE	QTY
768-1114-0000	Mens 5 - 6 / Women 5.5 - 7	1 Pair
768-1114-0001	Mens 6.5 - 7.5 / Women 7.5 - 9	1 Pair
